Narrative Text**Type** Initial Offense Report**Author** 1545 - BARAKAT, SAMAH**Related Date** Jan-28-2024 18:53

On Sunday, 01/28/2024, at approximately 1734 hours, I, Officer Barakat #1545, was assigned as a liaison Officer and was dispatched to a grand theft auto report.

I made telephone contact with the victim later identified as HARJOT SINGH, who stated his vehicle and the trailer attached to it had been stolen. HARJOT SINGH stated on 01/27/2024 around 2200 hours, his driver SUKHCHAIN SINGH parked the vehicle in the 7100 block Panama Lane and the last time he saw the vehicle was on 01/28/2024 around 0100 hours. The vehicle was locked, windows were secured, and keys were not inside. No one had permission beside HARJOT SINGH and SUKHCHAIN SINGH to take the vehicle and the key is still with SUKHCHAIN SINGH. HARJOT SINGH stated he was notified on 01/28/2024 around 1200 hours by SUKHCHAIN SINGH that the vehicle had been stolen. No firearms were in the vehicle. No witnesses were available, and no footage is available either. The vehicle had front plate only and the trailer is attached to the vehicle and had rear plate only.

The vehicle was described as:

2020 white Freightliner Semi Truck, LIC#:ZP08658, worth \$73000.

CJ Logistics INC on both sides.

HARJOT SINGH stated the trailer is a rental from Lynn Trucking and is described as:

2019 white Great Dane, LIC#262759A, worth \$27000.

The trailer is loaded with computer parts, unknown value.

BPD record C378 entered the vehicle and the trailer as stolen.

I provided HARJOT SINGH with a digital copy of the BPD Victim Assistance Guide which included the case number. I sent HARJOT SINGH a BPD link to upload photos of the stolen vehicle and trailer and the rental agreement to the trailer.

KERN COUNTY SHERIFF
FIELD CASE REPORT

CASE# 2024-00011558

NARRATIVE

PROPERTY DAMAGED:

HARJOT SINGH told me his 2020 Freightliner (CA/ZP08658) sustained the following damages: Front bumper, passenger side headlight, passenger side of the hood, passenger side mirror, driver side door handle, and dashboard were damaged. The estimated cost to repair is unknown.

PHYSICAL EVIDENCE:

Item #HK1: Body worn camera footage.

CHAIN OF EVIDENCE:

My body worn camera was activated and I kept it in my care and custody until I docked it for archival.

DETAILS:

On 01/29/2024, at about 1058 hours, I was dispatched to the area of East Wilson Road and South Edison Road regarding a found reported stolen semi-truck. The text of the call stated the reporting party located a white Freightliner semi-truck (CA/ZP08658) in an orange orchard. The vehicle was reported stolen out of Bakersfield Police Department under case number 24-21012.

Upon my arrival, I located the semi-truck in the orange orchard unoccupied. The vehicle had damage to the left side of the front bumper. One license plate was attached to the front of the vehicle. The vehicle identification number was in tact and the center portion of the dashboard was damaged.

I had sheriff's dispatch contact the registered owner, identified as HARJOT SINGH, to retrieve the vehicle. SINGH arrived and inspected the vehicle. SINGH told me the truck sustained damage to the following areas: left front bumper, driver side door handle, passenger side hood, passenger side headlight, passenger side mirror, and dashboard. SINGH said there was no damage prior to his truck being stolen. SINGH could not provide me with an estimated cost to repair the vehicle. I did not see any evidence or signs of latent fingerprints inside the vehicle. Due to being in a remote field, there were no surveillance cameras in the area.

SINGH told me clothes, a dash camera, and a sensor were taken from the inside of the vehicle. SINGH was unable to provide me with an estimated cost to replace the above items.

SINGH took possession of the the vehicle and I ended my contact with him.

I called Teletypes and had the vehicle removed from the Stolen Vehicle System (SVS).

Narrative Text**Type** Investigator Follow Up**Author** 1112 - PECK, CHRISTOPHER**Related Date** Feb-13-2024

On 1-31-22024, I reviewed this case and noted the vehicle, but not the trailer had been recovered by the Kern County Sheriff's Department.

The vehicle was recovered on 1-29-2024 under KCSO case number 202400011558. The vehicle was damaged, but not stripped, or burned, no license plates were missing, and no suspects were in custody. The vehicle was released to the owner.

The vehicle was removed from the stolen vehicle system by C369.

I received a phone call from CHRIS PAGE who is the District Security Manager for Expeitors who told me he is the representative of the company that owned the property that is in the missing trailer. PAGE told me the items being delivered were 186 fabric modules for ethernet switches. PAGE told me these items are used to build internet servers. PAGE told me the items were valued at \$3,963.51 each for a total of \$737,212.86. PAGE provided me with an invoice, serial numbers, a packing slip, pictures of the missing, items, and pictures of the missing trailer. I later attached these to this report.

PAGE told me he was also in contact with the shipping company and truck driver who provided him with a GPS tracking of the vehicle. Unfortunately, the GPS tracking was disabled, or stopped functioning, shortly after the vehicle was stolen. I reviewed this GPS information and saw that it tracks the vehicle from the warehouse in Memphis Tennessee to approximately the 6000 block of Reliance Drive Bakersfield California.

On 1-28-2024, at about 0451 hours the GPS tracks the vehicle from the 6000 block of Reliance Drive for approximately 1 mile to 7355 Panama Lane at 0452 hours. The GPS shows the vehicle appeared to have stopped on the south side of the roadway in the 7300 block of Panama Lane. The GPS does not show any other location after this leading me to believe it was disabled. I responded to the area of the last known GPS coordinates for any possible video surveillance, but there was none.

At this time there is no suspect information, no video surveillance, no witnesses, and no latent evidence.

The trailer is still reported stolen and has not been located.

This case will be closed pending actionable leads, or the recovery of the trailer or the product inside.
